

ROSEBANK COLLEGE

2014 HSC Report

Rosebank College congratulates the Class of 2014 for outstanding achievement in the HSC

The College is proud to acknowledge the HSC accomplishments of the inaugural full co-educational cohort. The 132 students performed to their personal best across 38 subjects, eight of which were new subject offerings in 2014 to cater for the vastly expanding enrolment numbers. "In teaching and tracking these students since Year 7, we have been committed to advancing their performance as they have progressed through the College and their HSC results reflect this," said College Principal Mr Tom Galea.

Special congratulations are extended to:

- Serena Saliba who was placed first out of 5500 candidates in Studies of Religion II in NSW.
- Karosham Reddy who was recognised by BOSTES as an All Rounder for achieving six Band 6 results.
- Jack Bresnahan and Louis Johansson who appear on the BOSTES Distinguished Achievers List for receiving Band 6 results in five of their courses.

Of particular note is that:

- 1 in 5 students appear on the BOSTES Distinguished Achievers List.
- Approximately 70% of all results in all subjects were in the upper bands.
- Subjects with 100% of their students achieving upper bands are Visual Arts, Music, Society and Culture and History Extension.
- 13% of students achieved an ATAR over 90.
- 2% of students achieved an ATAR over 98.
- These results place Rosebank College in the top 27% of schools in NSW.

There are other multiple excellent personal achievements in 2014. Many students have successfully completed their HSC despite challenging personal circumstances.
