About Us

The College belongs to the community of ten schools across Australia called *Good Samaritan Education (GSE)*. Established in 2011 by the Sisters of the Good Samaritan, the mission of *Good Samaritan Education* is to sustain and nurture our Catholic schools as Good Samaritan Benedictine communities of learning.

Catholic education in the Good Samaritan Benedictine tradition is committed to developing students who will engage with today's world as grounded, hope-filled young people who are equipped to lead wisely, to listen deeply and to treat their neighbour and their environment with justice, love and the compassion of Christ.

Rosebank College promotes an inclusive, welcoming environment for children and provides transparent, accountable, risk-managed approaches to ensure child safeguarding.

As a school of Good Samaritan Education, Rosebank College is incorporated and governed by a Board of Directors which is accountable through the Company Members to Good Samaritan Education.

For further information about Rosebank College, please visit our website: www.rosebank.nsw.edu.au.

About the Role

A school of *Good Samaritan Education*, Rosebank College seeks expressions of interest for the position of Science Teacher to join the Science faculty in a Permanent (1.0 FTE) position.

Commencing in Term 3, 2022 and reporting to the Dean of Learning through the Science Coordinator, the successful candidate will teach all grades 7-12. The successful candidate must be able to teach Biology and any other Stage 6 Science speciality, together with experience teaching Stage 4/5 Science.

The Science Teacher will work collaboratively within the Science faculty and across all year groups, undertaking responsibilities within the team, as required by the Science Coordinator. The Science faculty is highly successful and fosters a culture of continuous improvement committed to student centred practice.

The College offers excellent support to all teachers to enable them to develop on their professional journey through professional development. All staff are required to be involved in the pastoral care of our students and need to be able to demonstrate a commitment to the ideals and ethos of Catholic Education and be willing to participate in extracurricular programs.

Applicants for this position must be excellent classroom practitioners, dedicated team players, interested in the care and welfare of students, and have particular skills in their teaching to equip them to contribute to the College's educational program in teaching and learning. Applicants will also need to be skilled in their use of educational technology in the classroom. This position will allow a creative and passionate teacher and their students to flourish.

About You

The successful candidate will be an outstanding educator who is highly motivated to support Rosebank College to ensure continued academic achievement, by inspiring and developing innovative learning which engages, and values every learner. It is an expectation that all staff support the vision and goals of the College as a learning community and contribute to all aspects of College life.

To be considered for this position, you must meet the following criteria:

- Tertiary teaching qualifications and relevant experience teaching;
- Current NESA Accreditation and approval to teach in NSW;
- Demonstrate knowledge in Biology and any other Stage 6 Science speciality, together with experience teaching Stage 4/5 Science;
- Proficient in writing effective teaching programs and assessments across all stages;
- Ability to demonstrate proven experience of achieving improved student outcomes;
- Understand guided inquiry and be able to successfully implement it in the classroom;
- Successfully contribute to the Science Faculty through collaborative practice;
- Understand and show commitment to the Australian Professional Standards for Teaching;
- Possess proven ability to incorporate modern technologies into their teaching practice and convey passion about classroom innovation;
- Excellent communication and interpersonal skills;
- A commitment to the child safeguarding principles.

For further information about the role, view the position description [here](#).

The Process

If you believe you meet the requirements of this position, then please apply now by submitting your application to the Principal, Rosebank College, via email to recruitment@rosebank.nsw.edu.au.

In your application, you will need to provide:

- A cover letter;
- A copy of your CV;

- Three (3) referees including your current employer;
- Formal teaching qualifications including copies of transcripts;
- Current NESA Accreditation and approval to teach in NSW;
- A current NSW Working With Children Check number;
- Evidence that you are fully vaccinated against COVID-19.

The appointment of a successful candidate is conditional and based on the successful completion of all pre-employment screening for child-related employment and reference checks.
